

Approved Vendors

This document is a list of approved vendors for you to use when purchasing materials for your collection. These vendors have previously provided all necessary documentation and business information to our finance department, all paperwork is on file, and they reliably provide the necessary follow through for USL to make required payments with proper paperwork.* You must purchase materials from these vendors *unless* you go through the proper procedures with the Bookmobile Program Manager and the USL finance department to add additional reliable vendors. This list will be updated as necessary when new vendors are added.

*When a vendor requires an individual account number, each Bookmobile location will need to set up an account with those vendors. As of October 2011, ordering from Amazon on an individual basis is no longer our procedure. If you need an item that can only be found on Amazon.com, please contact Roxann Rose at rose@utah.gov or 801-715-6738 and she will order the item for you.
