

Donating Your Weeded Materials to Worldwide Book Drive

We are ready to start sharing resources with Worldwide Book Drive directly from your location to theirs.

Remember, when you discard books you are still encouraged to donate locally first.

Everything else in decent condition (not the ones torn to pieces, the ones that have been read in the tub, or the ones that have dinner spilled on them) may be sent to Worldwide Book Drive and they will pay the shipping.

HERE IS HOW:

- 1- Box your discards in easy-to-lift boxes that are in good condition.
- 2- Tape the boxes to seal them
- 3- Weigh each box and write a small note to yourself on each box so you remember which box weighs how much.
- 4- Decide what date you would like the boxes picked up by UPS. Worldwide Book Drive pays UPS!!
- 5- Call Ta'Koya Hammond at 1-801-427-0800 x8305 or email her at tholmes@worldwidebookdrive.com. Give her the number of boxes and the weight of each.
- 5-Ta'Koya will email you the shipping labels as an attached PDF and contact UPS for you to schedule the pickup.
- 6- Print the shipping labels and attach them to the appropriate boxes (remember to match the label with the postage for the weight of the box - you made yourself a note on the box!). You will need to tape over the ENTIRE label. There are specific instructions attached to the label itself. Please follow them carefully.
- 7- Put your boxes out for pick up and enjoy your clean office space!

You have just made many underprivileged children and families worldwide very happy and able to read and learn English! Check out their mission here:
